Premium Coconut Charcoal Briquettes – Crafted for Performance and Purity

Made from 100% natural resources, our briquettes offer clean-burning, long-lasting heat with low ash. Designed for hookah, BBQ, and professional use, each shape delivers consistent performance for every need.

Cubes

2.5 x 2.5 x 2.5 cm Customizable

Perfectly sized for precision and performance, our cube briquettes deliver consistent heat and long-lasting burn—ideal for both hookah lovers and shisha enthusiasts.

Hexagonal

5 x 2 cm Customizable

Engineered for steady airflow and extended burning time, our hexagonal briquettes are a go-to choice for professional-grade grilling and open flame cooking.

Finger

5 x 2 cm – Customizable

Sleek and efficient, these finger-shaped briquettes ignite quickly and maintain stable heat—making them perfect for shisha sessions or compact stoves.

BBQ

5 x 2 cm – Customizable

Built for serious grilling, our BBQ briquettes provide robust heat output and durability for long cookouts—crafted for chefs who demand power and performance.
